### **Bursledon Brickworks**

Swanwick Lane

Southampton

SO31 7HB

The main museum entrance is on the right hand side of Swanwick Lane, driving south, between the motorway and railway bridges.

### **Access Information**

The museum is an old industrial building and the floors can be uneven. Much of the ground floor is accessible for wheelchairs. The buildings are large and rambling so you might want to break your visit into chunks and stop for a break in the café in between. There are toilet facilities for people with with limited mobility.
